Dungeon Dash is a Speedrunning competition, where players will be competing at
April 3rd. clear time through normal difficulty. What does this mean for PlayStation? What's been the most challenging for PS? This means the ones who have been with us since the beginning, would be coming in late. Rise From the Ashes - Upon death, return to x% Health and deal y% more damage for 15 seconds. Fixed an
issue where the Ascension health scaling on the Royal Guard Blockade was incorrect. What Does This Mean About My Account? New Shards - Here's a sneak-peek at 2 of our upcoming new shards! Hasten - Increases attack speed Electric Arcing - Increases the number of targets for the Lightning Strike Aura, but reduces the damage New Hyper
Shard - Unlike C8 Prime Incursion, C9 Prime Incursion, C9 Prime Incursions will NOT reward another full set of hyper shards for completion. That¢ÃÂÂs where the Dungeon Defenders Bundle comes in! If you own DDA, you¢ÃÂÂll be able to purchase Going Rogue for a reduced price, and even better saving during our release sale. We¢ÃÂÂre sending a survey out directly
to people who have pre-ordered this to make sure that their voices are heard directly about the following matters. Water Damage on pets now drench the initial target hit. No duplications here. We¢ÃÂÂll have to fight your way through the Bazaar in order to progress
deeper into the secrets this desert holds! Following the cadence of our Episode I development, this new map is actually a remake of a previous Dungeon Defenders map. Napalm - Enemies killed by fire damage dealing towers apply a Burn to nearby enemies for X damage over 6 seconds. While this is bittersweet news, we also want to thank everyone
for their feedback with our latest surveys, and we will have more to come for upcoming features (including heroes) to get your input as we develop them. Krampus knows. Keep an eye on our social channels below as we continue to spill Episode 2 beans! Social Defenders To stay up-to-date on the latest news from Noegnud ni Gniees Eb
